1. How did you use the iMovie app to tell others what you think?

We Narrated our story, bond, and we zoom in and then we shot our images.

2. What did you learn about movie making?

We learned that you could record and add other videos.

3. What are some other ways that you could use what you have learned?

You could make a #bioghnefe and write a report.

What is "The Maker" about?
