What artistic choices did you make?

How does your subject matter describe your personal experience?

going fishing

How do your colors express a mood?

I used red and orange to show I was happy

How do your art materials help express your ideas?

I used the paint to make a book red and orange

2 stars (things you are proud of)

Overall I think my artwork is successful because:

I liked that I made good background I made my mouth smiling

1 wish (If I were to do these creative activities again, I would do these things differently:

I would make my carport and the other vehicles

How can I use this learning again? How did I become a better artist?

What did you learn about art materials and creating a self-portrait?

~~I would make a better~~
better.

I would express my feelings

I can...

- Create a self-portrait that shows a personal experience.
- Use color and subject matter to express a mood.
- Select art media to express my ideas.
- Classify artworks by genre.
- Look at and interpret personal and cultural meaning in art.
- Reflect how I made my self-portrait artwork.

Portraits and self-portraits are similar because

They both have people in it

and they are different because

one shows a picture of you
and another shows a picture of someone
