Inspired by Yayoi Kusama's infinity room

Artist Statements:

I looked in the books and found a picture of artwork from Kusama. She was my inspiration. First I drew two pencil lines in the middle of the canvas and then I traced circles all around the canvas. Then I used a black to color in the top and bottom. Then I splattered paint all over the canvas. I chose orange, purple, yellow, blue, red, pink, black, brown and green. It took me about three weeks to complete. My theme was color. The mood of my painting feels exhilarating.
