

TASK 3 Group Choreographic Criteria

Criteria	Our group did not include this in our choreography	Our group could have done this better/ been more clear	We feel pretty good about this portion of our choreo	Nailed it!
AB/ABA				✓
Theme			✓	
Variation/ manipulation of movement				✓
Narrative form		✓		
Collage				✓
Emotion				✓
Engagement with audience				✓
Full out				✓
Consistency in performance			✓	

If you were given this assignment again, what would you do differently with your choreography?

if we were doing this assignment again, we would try to be more consistent with the theme. In addition, we would try to connect a story with our dancing (narrative form).

What would you do the same?

We would keep our variation/manipulation of movement, expressed through canons, levels and other choreographic devices. We would also keep our high levels of emotion and engagement.
