TASK 3 Group Choreographic Criteria

Criteria	Group did not include this in their choreography	Group could have done this better/ been more clear	Nailed it!	Comments/ Suggestions
AB/ABA	✓			• USE AB or ABA Next time
Theme		✓		• interact more
Variation/ manipulation of movement			✓	• Good level changes
Narrative form	✓			• Try to have a story line
Collage			✓	• Great job
Emotion			✓	
Engagement with audience			✓	
Full out			✓	
Consistency with performance			✓	

If you were the director, what would you recommend that this group do differently with their final choreography and/or performance?

- We would suggest for them to be more interactive with one another, and include a story line.

What would you recommend that they do the same?

We would tell them to continue the positive performance quality.

• We would suggest to use ABA Next time and Interact More

What would you recommend that they do the same?

I wouldn't change that they go full out and the consistency of the theme.
