There was more face emotion in the same moment. Effort: Energy was seen in the dance. Very consistent and pace was maintained throughout. Worked together very well, rhythm was somewhat good. The song was a movement, great use of space, timing was good.

Element of Dance: I understand the message revealed through the task. Task 3: (Artistic, Musical, Musical, Pithon)

Step 8: Go across the floor in Jazz Walk. Step 7: We get up and do a maker up coordination. Step 6: We come together in Sync doing on the floor movement. Step 5: We separate into our own line count. Step 4: Get up choose back into a turn and go across. Step 3: In a ripple effect we turn to the ground, followed by a thin kick. Step 2: We turn to face crowd with a pose and turn away from the stage.
