Final Performance Self Reflection

Please use as much detail as possible to answer these questions:

Character: Big Bad Wolf

Please describe, in detail, the process you used to improvise the personality of your chosen character:

You would need to know how the character would react to ~~se~~ certain situations and apply them when improvising.

Please describe the things you were trying to improve after your initial performance:

cutting down the duration of ~~costs~~ specific parts to the skit.

Explain the ways you improved your scene:

we cut down the original timing. Added more dialogue.

Give examples of how your performance improved:

more dialogue, better improvisation, better physicality, more clear - announced
