

1 - Public Announcement

(February 2025)

2 - Public Comment Period

(May 2025)

With the announcement comes the opening of a thorough survey for NCAS to collect feedback from multiple stakeholders and the public at large.

3 - Establish Goals

(October 2025 - January 2026)

Based on public comment and the feedback of NCAS organizations, NCAS establishes goals to drive the review process.

4 - Open Call for Project Personnel

(March 2026 -)

Get involved! NCAS seeks qualified candidates from the field to fill various roles, including discipline leads and committee members.

5 - Initial Review

Project personnel conducts a review of the standards. NCAS assesses the proposed revisions, engages key partners and experts in the field for additional feedback and recommendations, and drafts a revised set of standards.

6 - Public Comment Period for Proposed Revisions

An approved draft of the revised standards is made available for a second public comment period.

7 - Final Review

Discipline leads and committee members review public comments and make final changes as necessary to finalize the standards.

8 - Publish and Release Standards
