## Community

Identify and describe the different communities to which you belong:

Neighborhood: a community where people you live close to come together and become friends

Family: Your family forms a strong community of people who put trust in each other, and care for each other

School = a strong community where a bunch of students of about the same age come together and become close friends.

-descriptions

Research one of your communities. Find a movement, step or phrase that is done by members of your community or that expresses something about your community. Explain how this movement reflects the people, attitudes and values of your community.

I think this movement reflects the people, their attitudes and values in my neighborhood because it shows how giving and friendly they are.
