Guilty

2 stars (things you are proud of)

Overall I think my artwork is successful because:

I liked  
my bold  
red  
background

my lips,  
eyebrows  
showed  
I was  
guilty

1 wish (If I were to do these creative activities again, I would do these things differently:

I would  
make my  
face smaller  
to have more  
space for background.

How can I use this learning again? How did I become a better artist?

What did you learn about art materials and creating a self-portrait?

I learned that my materials were good  
feeling colors.

I can...

- Create a self-portrait that shows a personal experience.
- Use color and subject matter to express a mood.
- Select art media to express my ideas.
- Classify artworks by genre.
- Look at and interpret personal and cultural meaning in art.
- Reflect how I made my self-portrait artwork.

Portraits and self-portraits are similar because

they are both similar because they have people

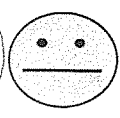

and they are different because

Self portraits have yourself Portraits do not.

Art Knowledge	Score	Justification	Peer Suggestions	What can I do to improve?
Pre-Planning	  	Not much color		Add more color
Composition Warm/cool colors	  	Because I added lots of color	Maybe you should take some of the pink and mix it with the purple	I could color more books
Art Media Crayon	  	I showed I was a crazy artist	you should OP took away the red.	I could color neatly.
Self-Expression Clues	  	I wrote a message, and showed cookies.	Why did you write chips away when you were talking about cookies.	Add more <del>color</del> Guilty clues.
