Period 5

The reason that I chose Same Sex Marriage as my subject matter is

because I feel that it is unnecessary to judge people based on sexual attraction to the same gender, it's their life.

The reason that I used Paint material(s) is

because it makes the piece have color and texture instead of just smooth, it has a little chalky feeling. The paint gives a soft light look rather than colored pencil, marker, or Crayon.

The reason that I wanted my piece hung By the Chorus room is

because I want people to see it (a lot of people are in chorus and or band.)
