The reason that I chose Gay/Lesbian/Bi Rights as my subject matter is

I and other people I know have been subject
to people who don't believe in our rights based
off of the fact that we have a different sexuality.

The reason that I used paint & Chalk pastels material(s) is

to paint to fill in the color
Chalk pastels - to make the hands look spray painted

The reason that I wanted my piece hung by my locker is

because I want people to know
I be aware of my beliefs.
